

Weather-Protected Ease

Count on a Bruno Joey™ for a safe, simple solution to travel with a scooter or powerchair at any time, in any weather. Ride a mobility device onto the platform, press a button, and the Joey stows neatly into the cargo area -- protected from the elements.

Fully Powered. Drive on/off the self-leveling platform, press a button and the Joey quickly and quietly retracts.

Compact Design. Second-row seating often maintained.

Safe. Safety barrier prevents mobility device from entering passenger area during sudden stops. Meets or exceeds all Federal Motor Vehicle Safety Standards.

Lighting. Backlit hand-held control and platform illumination makes night loading easy.

Versatile. Potential to reinstall on another applicable vehicle in the future.
